

**REMARKS:**

This application is a divisional of Serial No. 10/689,193, filed October 12, 2000.

Applicants have amended the specification for improved form. A formal set of drawings is enclosed for the Examiner's approval.

Claims 1-22 have been prosecuted in the parent application and are cancelled herein. Claim 40 has been cancelled and incorporated into independent claim 36. No new matter has been introduced by the foregoing amendments.

Applicant believes that all claims are in condition for allowance and requests that the application is passed to issue. However, if the Examiner believes that any issue is presented by this Amendment, it is requested that she telephone the undersigned to provide Applicant with an opportunity to resolve such issues.
